

How use a group chat in Zoom

<p>Download the Zoom Client App (if not already done): https://zoom.us/download</p> <ul style="list-style-type: none"> - Open the Zoom App (not the browser!) - Select "Chat" on the top bar - The chat console opens 	
<ul style="list-style-type: none"> - Click on the "Plus" icon next to "Latest" - Select "new channel" 	
<ul style="list-style-type: none"> - name your channel (1) - tick "members from your organization" (2) - add members by typing in their names (3) - click on "create channel" (4) <p>You can also create public channel where all members from ETH can participate</p>	
<p>Happy Chatting 😊</p>	<p>The group chat has many more features and options than the meeting chat. Please consult the Zoom pages for additional information, e.g. this >short introduction from Zoom<</p>
<p>If you want to participate in public channels:</p>	
<ul style="list-style-type: none"> - Click on the "Plus" icon next to "Latest" (1) - Select "enter a channel" (2) 	
<ul style="list-style-type: none"> - enter the name of the public channel (1) - click on the public channel (2) - click "close" at the bottom of the window
