Try it

Watch the PubMed video (only 2 min 36!)

https://www.youtube.com/watch?v=dncRQ1cobdc&feature=relmfu

Then, using your question that you came up with in the Welcome section:
Assign the PICO
Build your search strategy sequentially; try some Boolean operators
Conduct your search using the PubMed Advanced function
Find the corresponding MeSH terms for your PICO list

And – conduct your search using a search engine that you haven't used before!
